municipality to comply with the performance standards, prohibitions, conservation practices or technical standards under this subsection unless cost—sharing is available, under s. 92.14 or 281.65 or from any other source, to the owner or operator. For the purposes of this paragraph, sub. (4) and ss. 92.07 (2), 92.105 (1), 92.15 93.38 (4) and 823.08 (3) (c) 2., the department of natural resources shall promulgate rules that specify criteria for determining whether cost—sharing is available under s. 92.14 or 281.65 and the department of agriculture, trade and consumer protection shall promulgate rules that specify criteria for determining whether cost—sharing is available—under-s. 92.14 or from any other source. The rules may not allow a determination that cost—sharing is available to meet local regulations under s. 92.07 (2), 92.105 (1) or 92.15 93.38 that are consistent with or that exceed the performance standards, prohibitions, conservation practices or technical standards under this subsection unless the cost—sharing is at least 70% of the cost of compliance or is from 70% to 90% of the cost of compliance in cases of economic hardship, as defined in the rules.

Section 369kd. 281.20 (1) (a) of the statutes is amended to read:

281.20 (1) (a) Order or cause the abatement of pollution which the department, in consultation with the department of agriculture, trade and consumer protection University of Wisconsin-Extension if the source is agricultural, has determined to be significant and caused by a nonpoint source, as defined in s. 281.65 (2) (b), including pollution which causes the violation of a water quality standard, pollution which significantly impairs aquatic habitat or organisms, pollution which restricts navigation due to sedimentation, pollution which is deleterious to human health or pollution which otherwise significantly impairs water quality, except that under this paragraph the department may not order or cause the abatement of any pollution

caused primarily by animal waste or of pollution from an agricultural source that is located in a priority watershed or priority lake area unless the source is designated as a critical site in a priority watershed or priority lake plan under s. 281.65 (5m) or a modification to such a plan under s. 281.65 (5s).

SECTION 369kh. 281.20 (3) (c) of the statutes is amended to read:

281.20 (3) (c) If the nonpoint source which is the subject of a notice under par.

(a) is agricultural, the department shall send the notice to the department of agriculture, trade and consumer protection University of Wisconsin-Extension. The department of agriculture, trade and consumer protection University of Wisconsin-Extension shall do all of the following:

- 1. Upon receipt of the notice and in cooperation with the land conservation committee, provide to the person whom the department has determined to be responsible for the nonpoint source under sub. (1) (a) a listing of management practices which, if followed, would reduce pollution to an amount determined to be acceptable by the department, in consultation with either the department of agriculture, trade and consumer protection University of Wisconsin-Extension or the land conservation committee. The list shall, with reasonable limits, set forth all of the options which are available to the person to reduce pollution to that amount of pollution. The department of agriculture, trade and consumer protection shall provide to each person receiving a notice an explanation of financial aids and technical assistance which may be available to the person for the abatement of pollution or the implementation of best management practices from the department of agriculture, trade and consumer protection under s. 92.14 and from other sources.
- 2. Issue a report to the department within one year after the date of the notice describing the actions taken by the person receiving the notice and a

recommendation as to whether the department should issue an order to abate the pollution or implement the best management practices. Notwithstanding par. (a), the department may not issue an order until the department receives that report unless the department determines that the pollution is causing or will cause severe water quality degradation which could be mitigated or prevented by abatement action taken in less than one year and unless the department of agriculture, trade and consumer protection University of Wisconsin-Extension files a concurring determination in writing with the department within 30 days after receiving notice of the department's determination.

SECTION 369kk. 281.20 (3) (d) 3. of the statutes is amended to read:

281.20 (3) (d) 3. If the nonpoint source is agricultural, the department provides a copy of the temporary emergency order to the department of agriculture, trade and consumer protection <u>University of Wisconsin–Extension</u> and to the land conservation committee created under s. 92.06 in every county in which the nonpoint source is located.

Section 369pc. 281.65 (3) (f) of the statutes is amended to read:

281.65 (3) (f) Require the department and the department of agriculture, trade and consumer protection to conduct or contract for another person to conduct any evaluation or audit of the program under this section and of individual priority watershed or priority lake projects that the board determines is necessary.

SECTION 369pf. 281.65 (4) (as) of the statutes is amended to read:

281.65 (4) (as) Consult with the department of agriculture, trade and consumer protection University of Wisconsin-Extension in developing any federal grant application under par. (ar). Every application is subject to s. 16.54 and shall include the proposed expenditures of federal nonpoint source water pollution abatement

grant moneys and the allocation of such moneys between the department and the

department of agriculture, trade and consumer protection University of

Wisconsin-Extension.

SECTION 369ph. 281.65 (4) (dr) of the statutes is amended to read:

281.65 (4) (dr) Appoint a committee for each priority watershed and priority lake, to advise the department, the department of agriculture, trade and consumer protection and the counties, cities and villages concerning all aspects of the nonpoint source pollution abatement financial assistance program. Each committee shall include at least 2 farmers as members if the priority watershed or priority lake area includes property in agricultural use. Each committee shall include at least 2 representatives of a public inland lake protection and rehabilitation district that is within the priority watershed or priority lake area or, if one does not exist, of riparian property owners. Each committee for a priority watershed or priority lake area with any area in the Milwaukee River basin shall include a member of the county board from each county with any area in that priority watershed or priority lake area.

Section 369pi. 281.65 (4) (e) of the statutes is amended to read:

281.65 (4) (e) Promulgate rules, in consultation with the department of agriculture, trade and consumer protection University of Wisconsin-Extension, as are necessary for the proper execution and administration of the program under this section. Before promulgating rules under this paragraph, the department shall submit the rules to the land and water conservation board for review under sub. (3) (at). The rules shall include standards and specifications concerning best management practices which are required for eligibility for cost-sharing grants under this section. The standards and specifications shall be consistent with the

performance standards, prohibitions, conservation practices and technical standards under s. 281.16. The department may waive the standards and specifications in exceptional cases. The rules shall specify which best management practices are cost—effective best management practices. Only persons involved in the administration of the program under this section, persons who are grant recipients or applicants and persons who receive notices of intent to issue orders under s. 281.20 (1) (b) are subject to the rules promulgated under this paragraph. Any rule promulgated under this paragraph which relates or pertains to agricultural practices relating to animal waste handling and treatment is subject to s. 13.565.

SECTION 369pk. 281.65 (4) (g) (intro.) of the statutes is amended to read:

281.65 (4) (g) (intro.) In cooperation with the department of agriculture, trade and consumer protection University of Wisconsin Extension and the appropriate governmental unit, prepare priority watershed and priority lakes plans to implement nonpoint source water pollution abatement projects in priority watersheds and priority lake areas. In preparing the plans, the department shall:

281.65 (4c) (am) 2. The department, in consultation with the department of agriculture, trade and consumer protection, determines that funding provided under s. 92.14 is insufficient to fund the project.

SECTION 369pz. 281.65 (4m) (c) of the statutes is amended to read:

281.65 (4m) (c) The department shall submit a copy of any plan it completes under this subsection to any county located in or containing any watershed which is a subject of the plan and to the department of agriculture, trade and consumer protection University of Wisconsin-Extension. The department of agriculture, trade and consumer protection University of Wisconsin-Extension shall review the plan and notify the department of natural resources of its comments on the plan. A county receiving a plan under this subsection shall review the plan, approve or disapprove the plan and notify the department of natural resources of its action on the plan.

SECTION 369qc. 281.65 (4m) (d) of the statutes is amended to read:

281.65 (4m) (d) After the department considers the comments of the department of agriculture, trade and consumer protection University of Wisconsin-Extension on a plan under par. (c) and receives approval of the plan by every county to which it was sent and by the land and water conservation board, the department shall designate the plan to be an element of the appropriate areawide water quality management plan under P.L. 92-500, section 208.

SECTION 369qe. 281.65 (5m) of the statutes is amended to read:

and (5) and 281.65 (5m) Upon completion of plans by the department under sub. (4) (g) the governmental unit or regional planning commission under sub. (4m) and the department of agriculture, trade and consumer protection under sub. (5), and upon receiving the approval of the land and water conservation board, the department shall prepare and approve the final plan for a priority watershed or priority lake.

SECTION 369qh. 281.65 (7) (a) 2. of the statutes is amended to read:

281.65 (7) (a) 2. A county land conservation committee receiving a request under subd. 1. shall provide the owner or operator with a hearing and shall provide reasonable notice of the hearing to the owner or operator, the department and the department of agriculture, trade and consumer protection University of Wisconsin-Extension. The county land conservation committee shall conduct the hearing under this subdivision as an informal hearing. Section 68.11 (2) does not apply to the hearing. The land conservation committee shall hold the hearing in a place convenient to the owner or operator. Within 60 days after the hearing, the department shall, and the department of agriculture, trade and consumer protection University of Wisconsin-Extension may, submit a report and recommendation to the land conservation committee concerning the issues at the hearing. The land conservation committee may affirm or reverse the designation of the site as a critical site.

Section 369qj. 281.65 (10) of the statutes is amended to read:

281.65 (10) To the greatest extent practicable, the department, the department of agriculture, trade and consumer protection and the administering and implementing governmental unit shall encourage and utilize the Wisconsin conservation corps for appropriate projects.

SECTION 369qL. 281.65 (11) of the statutes, as affected by 2001 Wisconsin Act 16, is amended to read:

281.65 (11) Notwithstanding subs. (3) (am) and (3m), the South Fork of the Hay River is a priority watershed for the period ending on June 30, 2005. Notwithstanding subs. (2) (a), (4) (dm), (e), (em) and (g) 4., (4m) (b) 3. and (8) (b) and

(e), the department, in consultation with the local units of government involved with the priority watershed project, shall establish guidelines for the types of nonpoint source water pollution abatement practices to be eligible for cost—sharing grants in the watershed. Notwithstanding sub. (8) (f), the amount of a cost—sharing grant in the watershed may be based on the amount of pollution reduction achieved rather than on the cost of the practices installed, using guidelines developed by the department, in consultation with the local units of government involved with the priority watershed project. In providing funding under s. 92.14 (3), the department of agriculture, trade and consumer protection shall determine the amount of matching funds required for staff for the priority watershed project as though the funding termination date of June 30, 2005, had been in effect on October 6, 1998. The department and the local governmental staff involved with the priority watershed project shall evaluate the cost effectiveness of the project and the reduction in nonpoint source water pollution associated with the project.

SECTION 369sc. 281.67 of the statutes is repealed.

SECTION 369tc. 281.695 (5) of the statutes is amended to read:

281.695 (5) Any municipality may participate in the state financial assistance program for soil and water resources protection established under s. 281.55, 281.57 or 281.65 and may enter into agreements with the department of natural resources for that purpose. dissemination of technical standards to implement the performance standards and prohibitions under par. (a).

Section 369je. 281.16 (3) (c) of the statutes is amended to read:

281.16 (3) (c) Using the process specified under par. (b), the department of agriculture, trade and consumer protection, in consultation with the University of Wisconsin-Extension, shall develop and disseminate technical standards to implement the performance standards and prohibitions under par. (a). department of agriculture, trade and consumer protection shall disseminate alternative technical standards for situations in which more than one method exists to implement the performance standards and prohibitions.

Section 369ig. 281.16 (3) (e) of the statutes is amended to read:

281.16 (3) (e) An owner or operator of an agricultural facility or practice that is in existence before October 14, 1997, may not be required by this state or a municipality to comply with the performance standards, prohibitions, conservation practices or technical standards under this subsection unless cost-sharing is available, under s. 92.14 or 281.65 or from any other source, to the owner or operator. For the purposes of this paragraph, sub. (4) and ss. 92.07 (2), 92.105 (1), 92.15 93.38 (4) and 823.08 (3) (c) 2., the department of natural resources shall promulgate rules that specify criteria for determining whether cost-sharing is available under s. 92.14 or 281.65 and the department of agriculture, trade and consumer protection shall promulgate rules that specify criteria for determining whether cost-sharing is available under s. 92.14 or from any other source. The rules may not allow a determination that cost-sharing is available to meet local regulations under s. 92.07 (2), 92.105 (1) or 92.15 93.38 that are consistent with or that exceed the performance standards, prohibitions, conservation practices or technical standards under this

subsection unless the cost–sharing is at least 70% of the cost of compliance or is from 70% to 90% of the cost of compliance in cases of economic hardship, as defined in the rules.

SECTION 369kd. 281.20 (1) (a) of the statutes is amended to read:

281.20 (1) (a) Order or cause the abatement of pollution which the department, in consultation with the department of agriculture, trade and consumer protection University of Wisconsin-Extension if the source is agricultural, has determined to be significant and caused by a nonpoint source, as defined in s. 281.65 (2) (b), including pollution which causes the violation of a water quality standard, pollution which significantly impairs aquatic habitat or organisms, pollution which restricts navigation due to sedimentation, pollution which is deleterious to human health or pollution which otherwise significantly impairs water quality, except that under this paragraph the department may not order or cause the abatement of any pollution caused primarily by animal waste or of pollution from an agricultural source that is located in a priority watershed or priority lake area unless the source is designated as a critical site in a priority watershed or priority lake plan under s. 281.65 (5m) or a modification to such a plan under s. 281.65 (5s).

SECTION 369kh. 281.20 (3) (c) of the statutes is amended to read:

281.20 (3) (c) If the nonpoint source which is the subject of a notice under par.

(a) is agricultural, the department shall send the notice to the department of agriculture, trade and consumer protection University of Wisconsin-Extension. The department of agriculture, trade and consumer protection University of Wisconsin-Extension shall do all of the following:

1. Upon receipt of the notice and in cooperation with the land conservation committee, provide to the person whom the department has determined to be

responsible for the nonpoint source under sub. (1) (a) a listing of management practices which, if followed, would reduce pollution to an amount determined to be acceptable by the department, in consultation with either the department of agriculture, trade and consumer protection University of Wisconsin-Extension or the land conservation committee. The list shall, with reasonable limits, set forth all of the options which are available to the person to reduce pollution to that amount of pollution. The department of agriculture, trade and consumer protection shall provide to each person receiving a notice an explanation of financial aids and technical assistance which may be available to the person for the abatement of pollution or the implementation of best management practices from the department of agriculture, trade and consumer protection under s. 92.14 and from other sources.

2. Issue a report to the department within one year after the date of the notice describing the actions taken by the person receiving the notice and a recommendation as to whether the department should issue an order to abate the pollution or implement the best management practices. Notwithstanding par. (a), the department may not issue an order until the department receives that report unless the department determines that the pollution is causing or will cause severe water quality degradation which could be mitigated or prevented by abatement action taken in less than one year and unless the department of agriculture, trade and consumer protection University of Wisconsin-Extension files a concurring determination in writing with the department within 30 days after receiving notice of the department's determination.

SECTION 369kk. 281.20 (3) (d) 3. of the statutes is amended to read:

281.20 (3) (d) 3. If the nonpoint source is agricultural, the department provides a copy of the temporary emergency order to the department of agriculture, trade and

consumer protection <u>University of Wisconsin–Extension</u> and to the land conservation committee created under s. 92.06 in every county in which the nonpoint source is located.

Section 369pc. 281.65 (3) (f) of the statutes is amended to read:

281.65 (3) (f) Require the department and the department of agriculture, trade and consumer protection to conduct or contract for another person to conduct any evaluation or audit of the program under this section and of individual priority watershed or priority lake projects that the board determines is necessary.

SECTION 369pf. 281.65 (4) (as) of the statutes is amended to read:

281.65 (4) (as) Consult with the department of agriculture, trade and consumer protection University of Wisconsin-Extension in developing any federal grant application under par. (ar). Every application is subject to s. 16.54 and shall include the proposed expenditures of federal nonpoint source water pollution abatement grant moneys and the allocation of such moneys between the department and the department of agriculture, trade and consumer protection University of Wisconsin-Extension.

Section 369ph. 281.65 (4) (dr) of the statutes is amended to read:

281.65 (4) (dr) Appoint a committee for each priority watershed and priority lake, to advise the department, the department of agriculture, trade and consumer protection and the counties, cities and villages concerning all aspects of the nonpoint source pollution abatement financial assistance program. Each committee shall include at least 2 farmers as members if the priority watershed or priority lake area includes property in agricultural use. Each committee shall include at least 2 representatives of a public inland lake protection and rehabilitation district that is within the priority watershed or priority lake area or, if one does not exist, of riparian

Section 369pi. 281.65 (4) (e) of the statutes is amended to read:

281.65 (4) (e) Promulgate rules, in consultation with the department of agriculture, trade and consumer protection University of Wisconsin-Extension, as are necessary for the proper execution and administration of the program under this section. Before promulgating rules under this paragraph, the department shall submit the rules to the land and water conservation board for review under sub. (3) The rules shall include standards and specifications concerning best (at). management practices which are required for eligibility for cost-sharing grants under this section. The standards and specifications shall be consistent with the performance standards, prohibitions, conservation practices and technical standards under s. 281.16. The department may waive the standards and specifications in exceptional cases. The rules shall specify which best management practices are cost-effective best management practices. Only persons involved in the administration of the program under this section, persons who are grant recipients or applicants and persons who receive notices of intent to issue orders under s. 281.20 (1) (b) are subject to the rules promulgated under this paragraph. Any rule promulgated under this paragraph which relates or pertains to agricultural practices relating to animal waste handling and treatment is subject to s. 13.565.

SECTION 369pk. 281.65 (4) (g) (intro.) of the statutes is amended to read:

281.65 (4) (g) (intro.) In cooperation with the department of agriculture, trade and consumer protection and the appropriate governmental unit, prepare priority watershed and priority lakes plans to implement nonpoint source water pollution

1	abatement projects in priority watersheds and priority lake areas. In preparing the

The county land conservation committee shall conduct the hearing under this subdivision as an informal hearing. Section 68.11 (2) does not apply to the hearing. The land conservation committee shall hold the hearing in a place convenient to the owner or operator. Within 60 days after the hearing, the department shall, and the department of agriculture, trade and consumer protection <u>University of Wisconsin-Extension</u> may, submit a report and recommendation to the land conservation committee concerning the issues at the hearing. The land

conservation committee may affirm or reverse the designation of the site as a critical site.

SECTION 369qj. 281.65 (10) of the statutes is amended to read:

281.65 (10) To the greatest extent practicable, the department, the department of agriculture, trade and consumer protection and the administering and implementing governmental unit shall encourage and utilize the Wisconsin conservation corps for appropriate projects.

SECTION 369qL. 281.65 (11) of the statutes, as affected by 2001 Wisconsin Act 16, is amended to read:

River is a priority watershed for the period ending on June 30, 2005. Notwithstanding subs. (2) (a), (4) (dm), (e), (em) and (g) 4., (4m) (b) 3. and (8) (b) and (e), the department, in consultation with the local units of government involved with the priority watershed project, shall establish guidelines for the types of nonpoint source water pollution abatement practices to be eligible for cost—sharing grants in the watershed. Notwithstanding sub. (8) (f), the amount of a cost—sharing grant in the watershed may be based on the amount of pollution reduction achieved rather than on the cost of the practices installed, using guidelines developed by the department, in consultation with the local units of government involved with the priority watershed project. In providing funding under s. 92.14 (3), the department of agriculture, trade and consumer protection shall determine the amount of matching funds required for staff for the priority watershed project as though the funding termination date of June 30, 2005, had been in effect on October 6, 1998. The department and the local governmental staff involved with the priority watershed

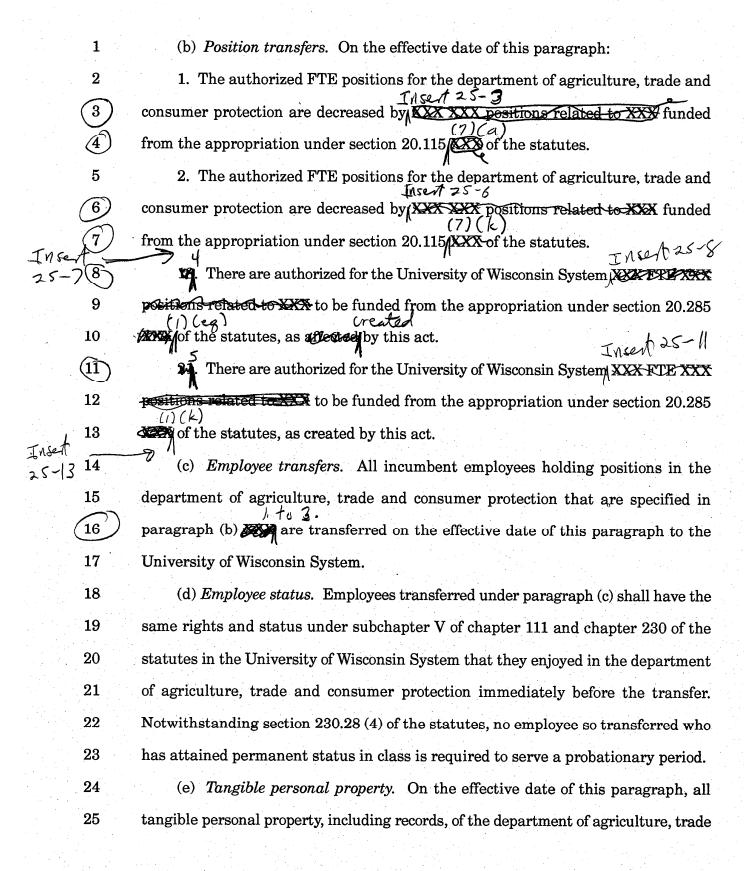

project shall evaluate the cost effectiveness of the project and the reduction in nonpoint source water pollution associated with the project.

Section 369sc. 281.67 of the statutes is repealed.

Section 369tc. 281.695 (5) of the statutes is amended to read:

281.695 (5) Any municipality may participate in the state financial assistance program for soil and water resources protection established under s. 281.55, 281.57 or 281.65 and may enter into agreements with the department of natural resources for that purpose. Any municipality may participate in the clean water fund program under ss. 281.58 and 281.59 and may enter into agreements with the department of administration and the department of natural resources for that purpose. Any county may participate in the state financial assistance program for soil and water resources protection established under s. 92.14 and may enter into agreements with the department of agriculture, trade and consumer protection natural resources for that purpose.".
